TEAM OUTFIT

FMN LOGO

RESERVED AREA TEAM & RIDER PARTNERS

The overall pattern on the helmet must always be approved by the FMN of the team. The upper part of the helmet (above the goggles strap) will carry the FMN colours, markings, logos and partners which cannot be in conflict with the rider's and his team's sponsors.

The rider's personal sponsors may be situated below the strap of the goggles. Consequently, the helmet of each of the riders may be different, but the pattern of the helmet of each rider of a single team must have a similar visual appearance.

Nevertheless, the FMN, the rider and the rider's sponsor may, by joint agreement, display a different decoration/ design.

Whenever a team is using a helmet and there is a case of "force majeure" (e.g. change of rider, broken helmet, etc.), the helmet in question can be replaced by any other helmet, provided that it complies with the FIM Technical Rules for the current year and has been presented to the Technical Stewards of the event.
